

Łódź Centre of Teacher Training and Vocational Education informs about the recruitment of transnational partner to the project in the framework of call **POKL/I/9.2/PN/12** Human Capital Operational Programme, Priority IX *Development of skills and competences in regions*, Measure 9.2 *Improvement of attractiveness and quality of vocational education*

Field of the project: exchanging good practices with transnational partner in the field of mechatronics, especially mobile robotics. Adaptation of good practices to the chosen schools of Lodzkie region.

Requirements for a partner:

- 3 years of experience in education in the field of mechatronics and robotics
- Institutional, human and financial potential which may guarantee achieving the project's and partnership's objectives,
- Willingness to participate in project's preparations and sharing with good practices in the field of learning and robotics.
- Experience in projects co-financed with the European Funds (desirable)

Expected engagement from partner:

- Participation in preparing the ways of implementation of good practices into the conditions of chosen schools in Lodzkie region. Exchanging ideas.
- Leading additional workshops for teachers and students
- Preparation study visits for Polish students and teachers

The application should be submitted till the **27 July 2012** (till 4 p.m.) to the Łódzkie Centrum Doskonalenia Nauczycieli i Kształcenia Praktycznego, ul. Kopcińskiego 29, 90-142 Łódź, Poland with the note: „Projekt 9.2.– Obserwatorium Rynku Pracy dla Edukacji” or via e-mail: obserwatorium@wckp.lodz.pl. Information about the chosen partner institution will be published on the website <http://bip.wckp.lodz.pl/>

All the institutions which participated in the call would be informed about the results by e-mail. However, there is a possibility to contest the results by an e-mail till **31 July 2012**. (till 4 p.m.) to the adress obserwatorium@wckp.lodz.pl.

The persons who participated in the previous choice of partner would be excluded. In the assessment of the protest, all the substantive criteria mentioned above would be taken into account. All the institutions participated in the call would be informed about the results of this procedure.

Additional information is available in Łódź Centre of Teacher Training and Vocational Education (Educational Labor Market Observatory – Mr. Krzysztof Szpakowski) or via the phone number 48 42 678-33-78 (direct personal number 357) or e-mail: kszpakowski@wckp.lodz.pl.
